

## **Joshua 20 Discussion**

---

1. God purposely commanded the designation of cities of refuge in his law. What does this tell us about him?
2. What does this practice tell us about humanity?
3. From what did the cities of refuge offer people protection? (20:3)
4. Who would go to a city of refuge? (20:3)
5. What role did elders play in a city of refuge? (20:4)
6. Compare and contrast Jesus with the avenger of blood.
7. How is Jesus like a city of refuge?
8. What do the cities of refuge teach us about grace?
9. How can you help ensure we are a church that is a welcoming city of refuge for sinners?
10. Why was it important that the cities of refuge be easily accessible from anywhere in Israel?
11. How do we navigate the tension between grace and justice for the dignity of human life? Is one more important than the other?
